**MOTION 23-18(3):  
REVOCATION OF THE APPOINTMENT OF THE HONOURABLE MEMBER FOR  
HAY RIVER SOUTH, DEFEATED**

**MS. GREEN:** Mahsi, Mr. Speaker. Mr. Speaker, with the information that I now have, I am satisfied the Minister has managed an effective solution to the stranded cargo for the High Arctic, which will not increase the expense to customers. Further, he has taken steps to be better prepared in the future by stockpiling fuel in the Arctic communities. Therefore, I will be voting against this motion.
